MIDLAND – In an energizing collaboration, The Alden B. Dow Museum of Science and Art at Midland Center for the Arts brings the Michigan Section of the American Association of Physics Teachers to Midland for their fall meeting on October 9 & 10. High school and post-secondary physics teachers from around the state will attend. Areas of physics explored by Albert Einstein will be the focus of a variety of speaker and workshop topics. Agenda items include talks by Elisha R. Huggins, professor of Physics, Dartmouth. As a part of the event, participants will be visiting the EINSTEIN exhibition on display now through December 6 at MCFTA.

Visit the Michigan Section of the American Association of Physics Teachers for full meeting agenda and registration information: <http://web.miaapt.org/meetings/fall-2009-meeting>.

The Alden B. Dow Museum of Science and Art (ABDM) celebrates discovery, creativity and individual expression through art, science and the interplay between them. Exhibitions in the Museum, classes at the Museum School, multiple outreach programs, a permanent collection and various special events are all components in the ABDM programming.

Midland Center for the Arts, Inc. is a non-profit, tax-exempt corporation formed under the laws of the State of Michigan incorporating six groups: Alden B. Dow Museum of Science and Art, MATRIX:MIDLAND, Midland County Historical Society, Midland Symphony Orchestra, Music Society and Theatre Guild.
