

# Minds on Art

Minds on Art is a program for people living with Alzheimer's disease and other dementias and their care partners. This is a unique opportunity for individuals in the early and mid stages of the disease to create meaningful experiences through art.

No artistic experience required!

Minds on Art provides opportunities for social engagement and cognitive stimulation for individuals with dementia and their care partners in a safe and inspiring environment.

## **MCFTA gallery tours and art studio time:**

- Provide cognitive stimulation
- Encourage socialization
- Help reduce stress and anxiety
  - Enrich relationships
- Promote self-expression
